

Sponsorship Opportunities

We invite you to sponsor the first season of The JumpStart Project!

Q: What are we Jump Starting?

A: New Hampshire Small Businesses

The JumpStart Show is a new TV series featuring successful small businesses from New Hampshire. Our host, Jennifer O'Keefe of Glikstorm LLC, will be interviewing extraordinary business owners from all over the state. We'll be digging into their tips, strategies, and cautions for other up-and-coming business owners. This show promises to be uplifting, inspirational, and educational!

We expect JumpStart to begin airing in September 2016 on Derry community TV. Episodes will also be available 24/7 at our website, www.JumpStartShow.com. We will be reaching out to other local TV stations for possible airing as well.

What Does Funding Provide?

We will be using sponsorship funds to help offset costs for professional advisors, advertising, printing, promotion, and travel. *The majority of people working on The JumpStart Project are not being compensated.*
